## HISTORIC SARATOGA HOTEL OPENS

The Adelphi Hotel, the last surviving hotel from Saratoga, N.Y.'s Golden Age, opens this summer after undergoing a multi-million-dollar renovation. Opened in 1877, The Adelphi's renovation incorporates elements of the original hotel including 11-foot ceilings and grand staircase, as well as the creation of shared spaces including the revival of its legendary hotel bar, which will be named Morrissey's after well-known Saratoga resident John Morrissey. A 1,200-square-foot glass-walled conservatory will house The Adelphi's new restaurant, The Blue Hen. There are 32 luxurious and oversized guest rooms and suites.
