

LIBATIONS

AND THEY'RE OFF!

A proper Saratoga Summer is upon us. We can be social without being distant. We are not legally mandated to eat food at bars. And we will finally be able to enjoy a day at the Track or an evening at SPAC. For this menu we embrace the motto of Saratoga Springs: Health, History, Horses.

The Health section is filled with delicious libations that not only taste good but are good for you...As much as alcohol can be anyway. For the history portion, we pay homage to cocktails and spirits that you may not have experienced but hold a significance in cocktail culture. The third "H" celebrates a pastime that is synonymous with summertime in Saratoga Springs: Horses. Giddy Up and enjoy one of these beautifully crafted cocktails, each named after a great Thoroughbred of the past, present and future.

Its Post Time!

Cheers,
Tim Everhardt
Bar Manager
