A BRIEF HISTORY OF JOHN MORRISSEY

1831 – 1878

1831

Born in Templemore, Ireland, on February 12, 1831

1833

Morrissey's family immigrated to America & settled in Troy, NY in 1833. Desperate to escape poverty, Morrissey worked as a cargo thief & also as a collection agent for Irish crime bosses in the area.

1848

Morrissey moved to New York City, becoming a deck-hand on a steamer running between Albany & New York. He married the daughter of a ship's captain, Susie Smith, in 1849. It was during his time in New York that he is said to have acquired his nickname, "Old Smoke". During a fight with Thomas McCann, Morrissey was pinned on his back atop burning coals from a stove that had been overturned. Enraged, Morrissey beat McCann senseless as smoke from his burning flesh rose up from his back. The event earned him the nickname "Old Smoke" which stuck with him through the rest of his life.

1851

Morrissey sailed to San Francisco, seeking fortune during the California Gold Rush. While he didn't have any luck in that endeavor, Morrissey became a renowned gambler & made a fortune winning gold from prospectors. It was during his time in California that Morrissey appeared for the first time in a professional prizefighting ring. On August 31, 1852 he defeated George Thompson at Mare Island, California in the 11th round, earning \$5,000. This success encouraged him to return to New York to fight the American Champion, Yankee Sullivan.

1853

On October 12, 1853 Morrissey boxed the American Champion, Yankee Sullivan, in front of 3,000 spectators & won in the 37th round.

1861

Morrissey first came to Saratoga Springs in 1861 & operated a small gaming house on Matilda Street (Woodlawn Avenue). After establishing his first successful gaming house in Saratoga, Morrissey created the Saratoga Race Course with the help of William R. Travers, John R. Hunter & Leonard Jerome. The first races were held in August 1863. He knew that there was more money to be made, so Morrissey invested \$190,000.00 to build "The Saratoga Clubhouse", a casino in Saratoga that attracted notable guests such as Chester A. Arthur, Rutherford B. Hayes, Ulysses S. Grant, Cornelius Vanderbilt, John D. Rockefeller & Mark Twain. Now known as the Canfield Casino.

1867

Morrissey became a Congressman & served two terms (1867-1871) in the 40th & 41st United States Congress. He eventually grew tired of the rampant corruption in Tammany Hall & left the House after his second term. He was elected as an Anti-Tammany Democrat to the New York State Senate in 1875 & was re-elected in 1877.

1878

Morrissey contracted pneumonia & passed away on May 1, 1878 in room 205 at the Adelphi Hotel, he was 47 years old. The state closed all offices & flags were flown at half-mast. The entire State Senate attended his funeral in Troy, held on May 4, 1878 & 20,000 mourners lined the streets to pay their last respects.

SPRING HAS SPRUNG

Spring is considered to be a fresh start. After a long winter, not just the season but the past two years in general, the weather is getting warmer and life is starting to seem normal again. With this Spring menu, we are celebrating all things Spring. This menu is full of offerings suited for sitting out on the patio with loved ones. Even on the days where the weather is not as favorable, lets enjoy these cocktails and being together.

Spring is here, so lets all embrace the season and spread a little bit of warmth, because we can all use it.

Cheers,
Tim Everhardt
