FOR IMMEDIATE RELEASE

THE ADELPHI HOTEL RECOGNIZED WITH CONDÉ NAST TRAVELER'S 2026 READERS' CHOICE AWARD

Historic Saratoga Springs Property Named the #3 Hotel in the Mid-Atlantic

SARATOGA SPRINGS, N.Y., October 6, 2026 — Condé Nast Traveler today announced the results of its annual Readers' Choice Awards, with The Adelphi Hotel recognized as the #3 Hotel in the Mid-Atlantic, placing the historic Saratoga Springs property among the region's most celebrated hotels.

Condé Nast Traveler received more than 798,867 survey responses from readers across the United States rating their travel experiences across the globe to offer a comprehensive look at the places they eagerly anticipate revisiting. The Readers' Choice Awards, with its unparalleled legacy as the travel industry's longest-running and most prestigious accolades from readers, remains an ultimate symbol and acknowledgment of excellence within the travel sector.

"To be named the #3 Hotel in the Mid-Atlantic by the readers of Condé Nast Traveler is an extraordinary honor," said David Hayes, Managing Director of The Adelphi Hotel. "This recognition is especially meaningful because it comes directly from travelers who have experienced The Adelphi firsthand. Our team takes tremendous pride in creating an experience that honors the history and character of this remarkable property while continually finding new ways to elevate the level of hospitality we provide. We are incredibly grateful to our guests for their support and to our entire team for the passion and dedication they bring to The Adelphi each day."

Located in the heart of downtown Saratoga Springs, The Adelphi Hotel is a modern reimagining of the city's grand Victorian hospitality. Originally established in the 19th century and meticulously restored for a new generation of travelers, The Adelphi blends its storied past with contemporary luxury, distinctive accommodations, elevated dining and highly personalized service.

Today, the expanded property features 65 guest rooms and suites, complemented by an array of amenities designed to create a complete luxury experience in the heart of Saratoga Springs. Guests enjoy dining at Salt & Char and Morrissey's Lounge & Bistro, along with a state-of-the-art fitness center, infrared sauna, game room, library, salon and spa services, and thoughtfully designed spaces for weddings, meetings and private events. The hotel's expansion represents the next chapter in The Adelphi's legacy, building upon nearly 150 years of hospitality while preserving the character that has made it a landmark of Saratoga Springs.

The recognition adds to a growing collection of accolades for The Adelphi, including its recognition by the MICHELIN Guide with a MICHELIN Key, further establishing the property as one of Upstate New York's premier luxury destinations.

"While The Adelphi continues to grow and evolve, the heart of the hotel remains unchanged," Hayes added. "It is about creating memorable experiences, celebrating Saratoga Springs and welcoming our guests with a level of hospitality that makes them want to return year after year."

The 2026 Readers' Choice Awards are published on Condé Nast Traveler's website at cntraveler.com/rca and celebrated in the November issue.

About The Adelphi Hotel

Located at 365 Broadway in the heart of downtown Saratoga Springs, New York, The Adelphi Hotel is a landmark luxury hotel that pairs the grandeur of Saratoga's Victorian era with a distinctly modern approach to hospitality. The property offers beautifully appointed guest rooms and suites, sophisticated gathering spaces, exceptional amenities and culinary experiences at Salt & Char and Morrissey's Lounge & Bistro. Steps from the shops, restaurants, arts and culture of Broadway—and minutes from the Saratoga Race Course—the hotel offers an elegant home base for experiencing one of Upstate New York's most celebrated destinations.

Following an extensive restoration and continued expansion, The Adelphi enters its next chapter while remaining rooted in the history, architecture and hospitality that have defined the property for generations.
